

Thornton-Donovan School

Handbook for Students & Parents

Introduction

Thornton-Donovan School, founded in 1901, is an independent, international, non-sectarian day and resident school recognized by the New York State Board of Regents and accredited by the Cognia Accreditation Commission. Situated on a five-acre campus with four buildings, the school offers Lower, Middle, and Upper school curricula in a small group setting. Each year there is an academic theme focusing on a different country or culture. The year culminates with a travel-study to sites that best reflect the theme.

Thornton-Donovan School is dedicated to educating our students, oriented to college preparation, using a holistic approach that fosters the integration of each student as an individual within a global community. Academic excellence is sought within an environment that fosters values such as honesty, self-discipline, self-respect, and respect for others. The entire school program challenges our students to develop their intellectual potential.

Board of Trustees

The Board of Trustees of Thornton-Donovan School is comprised of nine men and women who voluntarily serve the School. Their chief responsibilities are overseeing the School's financial affairs and setting policy.

The Board meets once a month and holds elections at commencement each year. All current families of Thornton-Donovan can vote. Additionally, any five members of the current school family, acting jointly, are entitled to make additional nominations by filing such nominations in writing with the Board's secretary no less than five days before the final meeting.

General Information

All parents **must** be registered with td.beehively.com, in order to be notified of emergency conditions that may affect the school. The school also utilizes Constant Contact for most of our day to day communications. Therefore, it is imperative that the office has a current email address on file.

It is Thornton-Donovan's expectation that parents will check T-D's website, www.td.edu to keep themselves informed of school news and updated monthly calendars. Copies of the most recent letters from the Headmaster can also be found there.

Parents should use the main driveway when dropping off or picking up students. Do not leave your car unattended in the main driveway or in Staff parking while bringing a student into the building. The driveway must remain clear for school buses to drop off and pick up students.

Parking or standing in the main driveway is strictly prohibited.

Dismissal

Students may go to their lockers after 3:00 dismissal. All students must leave the school grounds as promptly as possible unless engaged in a sanctioned after school activity. Students in grades K-5 should have a parent/guardian waiting for them at the main door. If another parent or a non-custodial parent is picking up the child, the office must be notified prior to dismissal. Students in grades 6-12, who are waiting for transportation must remain in the front of the main building at 100 Overlook Circle. They are not to visit other buildings, the field or the court.

Daily Attendance

Daily attendance and punctuality are critical factors for academic success. All students are expected to be in attendance whenever school is in session. Parents and guardians should make every effort to cooperate in this endeavor. **If a student is absent from school, it is their responsibility to complete all assignments posted on Google classroom.**

If a student must be absent from school, the **parent must notify the office.**

Exceptions may be made in highly unusual circumstances or in case of extended illness. Students arriving after Homeroom must report to the main office prior to going to class. Repeated lateness will result in detention.

Cutting any class will result in disciplinary action.

* All absences (full or ½ day) excused or unexcused will be recorded on the student's records, which may be used for college transcripts.

Medical Forms and Medications

Medical forms furnished by New Rochelle 1 must be returned to T-D no later than September 30th. This is in compliance with New York State Department of Health's regulations that prohibit a student's attendance without a completed form on file.

Parents are to advise the office **in writing** if their child is on prescribed medication. Teachers and Staff are not permitted to dispense medication of any kind including aspirin.

Illness During the School Day

If a student becomes unwell during the school day they are to report to the school nurse or the office where arrangements will be made for them to be picked up. No student should leave the grounds for any reason without notifying the main office.

Berns Memorial Library

The Berns Memorial Library and Resource room are used for study, research and reading. Students in grades 6-10 must report to the library when they have an assigned Study Hall. Grades 11 and 12 may sit outside without special permission.

Link Program with Iona University

Thornton-Donovan maintains a Link Program with Iona University which enables talented seniors to take courses for credit with fully matriculated college students. At the recommendation of the Headmaster and with the approval from Iona, T-D students can take one or two classes at substantially reduced tuition rates. An overall average of 90% is a T-D prerequisite.

Tuition Payment Plan (TPP)

T-D offers a low-cost tuition payment plan, TPP, which enables parents to pay their tuition through 10 scheduled monthly payments. If the tuition is not paid in full by October 30 of the current school year the family is automatically enrolled in the program and charged the one-time \$150 fee. The first payment is due August 15th, and the last payment on May 15th. If a student enrolls mid-year, the payment schedule is adjusted accordingly. T-D anticipates that all tuition payments will be made in a timely manner. Should a student be withdrawn prior to the end of the school year, the parent or guardian is responsible for the remaining tuition and any charges incurred in collection.

Thornton-Donovan is financed by tuition. We have no endowment. It is the responsibility of all parents to make sure tuition payments are up to date. No student may return to Thornton-Donovan in September if the previous year's tuition is unpaid. A failure to meet financial obligations to the school may result in the following:

- No field trips both nationally and internationally
- Report cards withheld
- School records withheld
- No admittance to midterm/final exams
- No graduation participation
- Transcripts withheld

Parent Teacher Partnership PTP

The Parent Teacher Partnership meets most months at the school for educational, cultural and social programs. All parents are members of the PTP and are strongly encouraged to participate and attend PTP meetings. The PTP also helps raise funds for the school by sponsoring such events such as the International Night Dinner. The PTP also underwrites many student activities during the school year.

The use of a cell phone, earbuds /headphones and smartwatches are not permitted during any academic classes unless approved by the individual teacher. Students in grades 6-12 are permitted to use cellphones during lunch periods, but are asked to make calls outside of the school buildings. If a student is observed using a cellphone without permission during an academic class, the phone will be confiscated by the teacher.

Students are not permitted to use any video or audio recording devices of any kind, including but not limited to cell phones, smart watches, tablets, laptops and cameras, while on school property, unless authorized by faculty or a staff member.

At no time should a student conduct themselves in a way which demeans the dignity of others or the school.

Students are expected to respect school property and the grounds. Absolutely no eating in classrooms. Gum chewing is not permitted in school. It is the responsibility of the student to leave desks, classrooms, and Freedom Hall neat and orderly. Willful destruction of the school's or individual's personal property will result in disciplinary action. Parents will be held accountable for repair or replacement expenses.

Smoking, vaping or alcoholic beverages are prohibited on or near school property at all times. It is the policy of the school to report any incidents related to alcohol and drugs to the parents/guardians of the students involved. Further a report is filed with the New Rochelle Police Department. Students involved in the use or possession of these substances are subject to severe disciplinary action, as well as possible legal action.

Juniors and seniors who leave the campus should eat off premises and not return with food for themselves or others. All refuse must be disposed of in the provided receptacles.

After eating lunch, Middle and Upper students may go to the library or remain on school grounds BEHIND the main building. During lunch, students should only be in the library or the MPR. Depending on the weather, Lower School students will participate in supervised outdoor or indoor play.

Summer School

A full range of subjects on all grade levels is offered for students who need either remedial or enrichment classes. Courses for credit can also be arranged. All instruction is tutorial with no class exceeding five students. Duration of each course is 30 hours, given in a 20-day session. If a student takes a summer school class at another school, he or she may be required to pass Thornton Donovan's final in order to receive credit.

SAT Prep Course

Beginning in early October SAT verbal and math instruction is offered on consecutive Tuesday nights at 7:30 p.m. The course is open to all T-D sophomores, juniors and seniors for an additional fee. Course dates and enrollment forms will be mailed in September. Parents may register by mail or call the main office.

Junior and Senior Privileges

Junior and seniors may leave the school grounds during free periods and lunch. They **must** return to their subsequent class before the bell rings. Failure to do so will result in the loss of this privilege for one month.

Parent-Teacher Conferences K-12

One evening is put aside during the school year school for Parent -Teacher Conferences. Additional conferences may be scheduled as well, initiated by either the teacher or parent. For grades K-8 they can be scheduled by emailing the Lower & Middle School Director, Mrs. Keating-Miller at vkeating@td.edu. Grades 9-12 conferences can be scheduled by contacting the main office by calling 914 632-8836.

Faculty Luncheon Conference (FLC)

During the school day at lunch individual students in grades 6 to 12 are invited to participate in a conference with the faculty and the Headmaster to discuss current academic progress or problems and recommendations for continued improvement. Parents receive a short, written transcript of each teacher's remarks.

Extra-Help

Teachers are available for extra-help, by arrangement, during the school day. Additional tutoring for students at all grade levels, at parent's expense, may be arranged through the Director of the Lower & Middle Schools (vkeating@td.edu) who will document and coordinate the tutoring schedule.

Homework

Homework is a part of the curriculum and is a natural extension of classwork. Middle and Upper School students should expect at least 2 hours of homework each evening. The Lower School receives homework assignments each day. All homework assignments are expected to be completed on time and are factored into each student's grade. Assignments for all subjects can be found on the Google Classroom page.

Student Ambassadors

Each year Thornton-Donovan calls upon a few students with strong social strengths to represent Thornton-Donovan abroad. In the course of the school year, all students are invited to consider visiting T-D's sister schools in Europe, Asia, and Latin America. These international stays can be as short as a week or as long as a month. To participate in an exchange, students should speak with the Headmaster. Most academic work abroad is documented on the student's transcript.

School Trips

A student may not attend any national or international trip if:

- Their tuition is past due
- On probationary status for behavior difficulties
- Failing academically

Exams and Testing

Exams are administered quarterly to students in the Middle and Upper Schools. Dates are on the school calendar at www.td.edu. All students are expected to attend and complete exams as scheduled. Any student who is caught cheating on any quiz, test, or exam will receive an automatic "F" and be referred to the Headmaster for further disciplinary action.

Any student requiring extra-time for tests must submit the appropriate paperwork prior to the exam.

Report Card & Student Progress Reports

Report cards are issued four times a year, one for each marking period of the school year. Each quarter average represents tests, quizzes, class participation, homework and/or projects.

Quarterly report cards for students in all grade levels are mailed home. If necessary, progress reports are mailed home during the quarter.

Honor Roll

Students attain the Honor Role by meeting the following requirements:

Headmaster's List: An average of 90 and above in all major subjects with no major subject grade less than 85.

First Honors: An average of 85 and above in all major subjects with no major subject grade less than 80.

Lockers

Lockers are assigned to Middle and Upper School students by the main office. Students must provide a combination lock and give the combination to the main office.

Books and School Supplies

All students are required to come to school each day with pens, pencils, paper and other materials needed for each class, along with the appropriate textbooks. It is not necessary to carry all books all day. Afternoon texts may be left in the student's lockers and exchanged for morning texts at lunchtime. Students are not permitted to leave their belongings, book bags or other items in desks or in a classroom. All misplaced or lost textbooks must be replaced at cost if not found within a few days to prevent lost academic progress. Textbooks must be returned in good condition at the end of the school year in order to sit for the final exam. Parents will be billed for damaged or lost books.

Visitors

All visitors must present themselves to the main office upon arrival. This includes parents and all relatives.

Student guests are welcome to visit but **prior arrangement and approval** must be made through the main office. No student visitors will be allowed during any of T-D's four scheduled exam periods.

Photos

Students' images will occasionally be used for promotion or advertising purposes unless a written letter is given to the main office stating that the student's image cannot be used.

This handbook is designed to help students and parents become familiar with T-D's rules and procedures. Mutual respect is expected of all students and parents, especially in their relationships with the faculty, staff and peers. It is understood that all parents and students have read and agree with the posted handbook. Understanding and accepting these guidelines will only enhance the friendly atmosphere of the school and contribute to a successful school year.
